EXPLANATION OF VOTE

Mr. Speaker:

I came to the session this date prepared to vote for House Bill No. 1453 (Senate Bill No. 1417). When question of liability under the Constitution of Tennessee was raised I asked the sponsor to defer the bill until we could get an opinion from the Attorney General when this request was denied and a vote on the bill was forced. I, therefore, "blue lighted" the bill because I could not, in good conscience, vote for the bill with the question of liability unresolved.

John Bragg.

() Any print, audio, visual, or audio-visual advertising offering to accept payment for services rendered from any third party payor as payment in full, if the effect of the advertised offering is to eliminate or give the impression of eliminating the need of payment by an insured of any required deductions or co-payments applicable in the insured's policy.

() Advertising any reduced or discounted fees or rebates for services or treatments, or advertising any free services or treatments, without prominently stating in the advertisement the licensee's usual fee for the service or treatment which is the subject of the discount, rebate, or free offering.

- () Submitting to any third party payor a claim for a service or treatment at an inflated fee or charge or a greater fee or charge than the usual fee the licensee charges for that service or treatment when the service or treatment is rendered without third party reimbursement.
